

2023 Annual Summit Sponsorship Menu

Each year, RIEEA hosts an Annual Summit to bring together engaged communities throughout the state and from across various sectors. Sponsorships strengthen our marketing, planning, and operational support for the Summit while increasing your visibility among educators, administrators, and practitioners in a wide range of fields. They also keep the event accessible to youth, students, and those without financial support from their organizations or who would otherwise find the event cost prohibitive, allowing them to take part at a significantly reduced rate.
