

2027 Summit Sponsorship Menu

Each year, RIEEA hosts a Summit to bring together diverse communities from across the state to share ideas and drive change. Our next Summit will be held on **Saturday, March 13, 2027**, and the theme will be **Community Science and Collective Impact**. Sponsorships boost our outreach and planning while highlighting your organization to educators, administrators, and practitioners across many different sectors. Your support also helps keep the event affordable for youth, students, and others with limited resources.
